

RED ANGLER / AUSTRALIAN RED BREEDS SIRES

HAITHABU GGHAITHABU (Ascona x Zion x Kom Leader)

Haithabu is by far and away the highest Type sire in the breed at 122! He is also the number 2 udder sire available. Previous tours to Germany by ARB breeders have been extremely impressed by the quality and consistency of the daughters.

- Positive components 0.14% Fat
- OT 112 & 122MS
- 108 Survival

HEXER GGHEXER (Baldo x Cadon x Pyllberg)

HEXER is the most complete Red sire we have in Australia ranking extremely high for both type and production. Components are his specialty with massive improvements in solids.

- #2 OT @ 119 & #1 Mammary @ 117
- #1 Fat Kg's & %.
- #3 Production sire in Australia @ 171 APR

DRAGOMIR GGDRAGOMIR (Ferdi x Rudi x Imker)

This extremely reliable sire has over 1400 daughters in Germany and now with daughters milking in Australia all we are hearing outstanding reports. Survival is also one of his best traits at 112.

- 118RZG
- #3 Mammary at 113
- Low Holstein pedigree
