

# Genetics Australia's Red On Farm Challenge: NSW 2012

Thank you Genetics Australia and the ARDB, for their generous support of this event. 18 exhibitors entered 130 cows into the competition. Thank you Kelvin Cochrane (judge) and his wife Ronnie, for travelling from Casino to Central Tilba to judge these cows in a week of extreme weather conditions. (It snowed around James Normans!) Congratulations to all the place getters.
